## Requirements

[REDACTED]  
 Saratov Airframe Plant  
 No. 292

25X1A2g

A continuing requirement exists for identification of the specific type aircraft in production at this plant. The plant has most recently been involved in the production of Yakolev fighters. Number and identification of all aircraft observed in the plant area is of much value. Description of all new construction is needed. Any indications of the number of shifts and the number of workers are helpful. Of great importance would be [REDACTED]
